

**INFORMATION SHEET**  
**RECORD OF VOLUNTEER POLITICAL HOURS**  
**YEAR 2005-2006**

Any outside volunteer work performed by any member of the Ygnacio Valley Republican Women Federated Club counts.

Volunteer means unpaid donation of time for work performed – which includes not only political but community outreach. Example: donating time at a hospital, school, counseling, etc.

On the attached form you can summarize the fiscal year (total hours) June, 2005 through July, 2006 -- you may attach to this summary your notes. Some volunteer hours forms have been submitted, and it will be provided to the member.

Any questions regarding the placement on the volunteer hours form will be addressed, by simply indicating the hours on the Summary Sheet with the name of the organization, group, affiliation, church, etc. I will review the notations and research the designation. **The Summary Report forms for fiscal year 2005-2006 are due at the January 2007 General Meeting.**
